

KAPPA KAPPA GAMMA ALUMNAE ASSOCIATION OF CENTRAL FLORIDA

Fall 2012

President's Welcome

As your president, my goal this year will be to focus on growing our organization with an eye toward making a meaningful contribution to the 2013 Province meeting being hosted by UCF. I recognize that there are phases in our lives when we concentrate on family and careers. I also believe that as women we need a connection with other women. Kappa is a great place to connect, with casual acquaintances—just an occasional evening out of the house or, an opportunity to develop strong bonds when we need it. When I started becoming more involved in our alumnae association, I was impressed that we are a multi-generational group with women who obviously care about each other. Many of our members offer support, volunteering their time and resources to other members when they are in need. We are fortunate to have such a range of alumnae in our area.

Thank you to those of you who have paid your dues this year. We are eagerly anticipating rapid growth among our membership base this year, and look forward to sharing the many opportunities for sisterhood that we have planned for the year.

Thank you for the privilege and honor of being your President this year.

Loyally,

Carol Mueller Cady
